

## **Rebuttal to Argument in Favor of Prop 99**

According to California's non-partisan Legislative Analyst's Office Proposition 99 "is not likely to significantly alter current government land acquisition practices."

Meaning: "Proposition 99 does nothing."

Yet the politicians and developers spent \$4,000,000.00+ to put Prop 99 on the ballot, when it does almost nothing!

Why? Because they filed 99 only after homeowners, family farmers, and small business owners filed Proposition 98.

The politicians and developers don't want you to vote Yes on 98, so they are trying to trick you into voting for "do-nothing" Proposition 99 instead.

**Prop 99 took out every protection for farmers, small businesses, rented homes.**

Read Prop 99 in this Voters' Guide. Small businesses? Family Farmers? Renters? Places of Worship? All gone.

But homeowners? 99 looks like it protects homeowners. Again the non-partisan analysis: Proposition 99 "is not likely to significantly alter current government land acquisition practices." Meaning 99 protects virtually nothing. Homeowners have virtually no protection under 99

Worse yet! If 99 gets more votes than 98—EVEN IF PROPOSITION 98 GETS A MAJORITY—99 kills ALL the Proposition 98 protections for everyone, INCLUDING HOMEOWNERS! Read it yourself in Proposition 99, SECTION 9, in this Guide.

ORDERED CHANGES**

REBUTTAL TO ARGUMENT IN FAVOR OF  
PROPOSITION 99

**Stick together, protect everyone, not just the few. That's fair. Vote Yes on 98.**

Vote No on 99. The politicians and developers who paid \$4,000,000.00+ to put 99 on your ballot are trying an old election trick. They did not trick us back when we passed Proposition 13; don't let them trick you now!
